Dear Hardikkumar Belani,

We are delighted that you have chosen our MA program in Sociology at the University of Windsor to advance your intellectual career. We have recommended your admission for the course stream to the Dean in the Faculty of Graduate Studies. Graduate Studies will assess the application and make a decision shortly.

Meanwhile, we are thrilled to make a conditional offer of up to 3 Graduate Assistantships (each valued at approximately \$5,278.00\*) over the course of your candidacy, which will enable you to get practical teaching experience in Sociology. Since your GPA was above 80%, we have also recommended that you be offered an entrance scholarship from Graduate Studies.

Our world-leading research scholars in the Department often have opportunities for research assistantships in their grants, for which you may also be able to apply. These opportunities will provide you with excellent analytical and methodological skills on active projects.

If you have any questions pertaining to registration, please do not hesitate to contact our Graduate Secretary at (519) 253-3000 extension 2191.

We look forward to seeing you in the Department.

Sincerely,

Professor Nicholas DeMaria Harney  
Head of the Department of Sociology and Anthropology
